## "April Love" prom mystery theme

"April Love" was the mystery theme for this year's prom held April 3 in the Smog, sponsored by the Alpha Upsilon chapter of Kappa Pi national art fraternity.

The spring theme was carried out with masses of pink and rose-red flowers overlaying the white-line wood frames against a light charcoal gray background flood-lighted with rose and blue spotlights. Centering the dance floor was a revolving mirror-ball with spotlighting reflecting in a short-spray of rays from the ball on ceiling and floor.

Intermission time was highlighted with the introduction of Phi Sigma Epsilon's Sweetheart, Joni Kangel.

In the receiving line were Dr. Nels Minne, president of the college and Mrs. Minne, Mr. and Mrs. S. J. Kryszko, Dr. M. R. Raymond, vice president of the college and Mrs. Lyman Judson and Miss Sandra Rumstick, president of Alpha Upsilon chapter of Kappa Pi.

Refreshments were served on the stage which was centered with the punch table decorated with pink snap dragons, red carnations, white mums and tall pink tapers in silver candlesticks. Red and pink flowers decorated the table tops and background curtain.

Chaperons were Dr. and Mrs. J. Hugh Capron, Dr. and Mrs. John J. Fuller, Mr. and Mrs. Larry Connell and Mr. and Mrs. LeRoy Stadler of the college faculty.

Couples giving out programs at the door were Miss Cheryl Fick and James Huettl; Miss Betty Engel, and James Getskow; Miss Arlis Legler, and John Petronek; Miss Barbara Peterson and Jay Benson.

Henry Burton's orchestra played in the main ballroom and in the adjacent room, which had similar decorations of white trelises with red and pink flowers, Jerry Van Hoof's orchestra provided the music for dancing.

Miss Kathryn Koeth was general chairman; Mary Lou Wendt

of dance activities at the prom April 3. Sue is Winona State's reigning Campus Cover Girl.

## Undergraduates vie in speech contest during spring term

Undergraduate students will be offered a variety of opportunities for participation in speech round table program events during the spring term according to the schedule made public today by Dr. Lyman Judson.

On April 26, beginning at 7 p.m. in Pasteur Hall auditorium, four members of Phi Sigma Epsilon will contest against four members of Sigma Tau Gamma, and four members of Alpha Xi Delta will compete with an equal number of extemporaneous speakers representing Delta Zeta for special traveling trophies. The contests will be the first of a series of annual competitions; the fraternity or sorority winning three times will retain permanent possession of the trophy. All speakers will talk on subjects dealing with current national or international affairs.

Students desiring to read their own original poetry may appear in the poetry reading festival on Monday, May 3, beginning at 7 p.m. in Pasteur Hall auditorium, providing a minimum of five poets are selected previously by a screening committee. Students may seek assistance from any of the following cooperating faculty members: Mr. Ralph Behling, Dr. Margaret Boddy, Dr. Harold Guthrie, Miss Dorothy Magnus, Dr. Augusta Nelson, Mr. Jacques Reidelberger, Mr. James Richards and Dr. Douglas Stenerson. No winners will be selected in the poetry festival; instead, all of those meriting superior or excellent ratings will receive appropriate awards.

Extemporaneous speaking contests open to men and women currently enrolled in Speech 118

## Winter graduates number 37

Winter quarter at Winona State College saw 37 young men and women graduate with degrees.

Those receiving Bachelor of Science degrees were: Gretchen Anderson, Hayfield, Minnesota; Jean Carney, Winona, Minnesota; Sandra Corey, Houston, Minnesota; Francille DeGrood, Winona, Minnesota; Betty Engel, Owatonna, Minnesota; Richard Froyen, Clarion, Iowa; Diana Heyer, Winona, Minnesota; Katherine Greden, Winona, Minnesota; Mrs. Kathryn Hanke, Winona, Minnesota; Violet Kratz, Stockton, Minnesota; Sharon Kreher, Winona, Minnesota; Mary Landine, Eau Claire, Wisconsin; Mrs. Dorothy McLaughlin, Winona, Minnesota; Kae Nissalke, Winona, Minnesota; Dennis Olson, Kenyon, Minnesota; Sherman Pampuch, Winona, Minnesota; Joan Podany, Minneapolis, Minnesota; Mrs. Hildor Somermayer Poppe, Houston, Minnesota; Joan Smith, Winona, Minnesota; Mary Ann Tillman, Rochester, Minnesota; Donald Turner, Chatfield, Minnesota; Wordan Welper, Mabel, Minnesota; Ann Willert, La Crosse, Wisconsin.

Only six of the 37 graduates received Bachelor of Arts degrees. They were: Lawrence Benish, Robert Briggs, Dale Olson, John Przytarski, and Mrs. Judith Smrkovski all of Winona; James Miller, Austin, Minnesota.

The remaining eight students received Master of Science degrees. They were: Merle Peterson and Robert Porath, Rochester, Minnesota; Neil Greene, Viroqua, Wisconsin; Lois Julsrud, Rushford, Minnesota; Ronald Lohse, Spirit Lake, Iowa; Paul Koprowski, Winona, Minnesota; Claude

CcCormick, Trempealeau, Wisconsin; and Samuel Schneider, Alma, Wisconsin.

Their degrees will be conferred in June.

## Circle-K wins at convention

The Circle K of Winona State College was the only club winning in more than one event at the Circle K district convention at Fargo, North Dakota, April 2-3.

Awards went to the clubs with the most achievement in service, printing of club newsletters and the club attending with the most men. WSC's Circle K won second in club achievement and a second in the most number of members attending over the longest distance.

Over twenty clubs are members of this tri-state district. Those representing Winona State were: Doug Furst, Roy Wilsey, Paul Ask, Phillip Shaw, Paul Hodge and Don Higgs.

Plans are now being made to attend the international convention this summer at Miami Beach, Florida.

## Student elected city alderman

Barry Nelson, presently working on his masters degree in social science here, was elected alderman-at-large to the Winona City Council in elections held Monday evening.

Nelson beat incumbent James Mohan by 71 votes. Nelson received 4,028 votes to Mohan's 3,957.

This was Nelson's first vie for a public office.

## Dr. Stenerson gets grant to Finland

Dr. Douglas Stenerson of Winona State's English department has received a Fulbright Grant to the University of Helsinki in Finland for the 1965-66 academic year.

Dr. Stenerson and his wife will arrive in Helsinki August 20 for a ten-day orientation period offered to all people on Fulbright Grants in Finland. Approximately 15 foreign lecturers under the Fulbright Grant will be in Finland for the next academic year.

The University of Helsinki offers a well developed program in American studies. Dr. Stenerson

will begin his Fulbright lectures in American literature September 20. He will be teaching a survey course entitled American Literature, Language and Institutions.

Approximately 150-200 students will be taking this course since it is required for a cum laude degree in English. Dr. Stenerson will also be teaching an undecided advanced course in English in addition to advising graduate students working on their M.S. degrees in English. His lectures will end the latter part of May.

The purpose of the Fulbright-Hayes Grants are to improve inter-cultural understanding. Its participants are chosen on a highly selective basis by a special committee working under the State Department.

Beautify the campus

We cant' always judge a person by the way he dresses, but we can usually tell how much he cares for himself. A home in one of the poorer sections of town, if it's well kept, gives the impression that someone, despite the fact that he hasn't much money, cares, and wants his home to look nice.

What about a college campus? What about Winona State's campus? We have a growing campus here, and every time we turn around another new and beautiful building goes up.

But what is happening to the rest of the campus? The **Winonan** learns that a club on campus has plans to beautify the campus.

There are a number of things that this club, or anyone else, for that matter, can do. Except for a small white sign on Huff and Sanborn pointing the way to WSC offices, and on other streets, we have no monument or statue to tell people that this is Winona State College.

There has been some talk about erecting a monument, possibly in front of Pasteur Hall. A huge fountain with a nameplate on it would identify the campus and beautify it too. The small piece of land between Pasteur and Watkins Halls, also is a possibility. This land is used as a football-baseball-catch field, and makes the land rather unsightly. Wouldn't that corner look much more attractive if we planted some trees, placed a few park benches and perhaps laid a sidewalk there?

Every community has its parks. We could have our own little park right here; we could even give it a name if we wished.

These are just two of the many ways in which this campus can be made more attractive.

Surely we as students care about this campus. Let's perk up and make this an attractive place.

Health service discussed

Student Senate minutes

**S.S. Minutes:**

A regular meeting of the Student Senate was called to order by president, Charles Becker, on March 30, 1965 at 7:00 p.m.

Roll was called. The minutes were approved as mailed.

Dick Childers, treasurer, reported a balance of \$298.18.

Charles Becker reported that Tri-College Conference topics selected by our SS are as follows: Student, Faculty, and Community Relationships; Big Name Entertainment (Round Robin); Campus Elections; Expenditures for Social Events; Student Restrictions and Regulations; Health-Services; Student Unions; Realm and Limitations of Student Governments; Student Evaluations of Faculty and Administration; Orientation Programming; Social Problems on Campus (Basic Topic); and Campus Governing Organizations.

The schedule of events for the Tri-College Conference was read; SS members should know by next week if or if not they will attend.

Mike Williams introduced Mrs. Browning who explained and clarified policies of the school health service. It was stressed that students should come to the health service during the day with their illnesses. Mrs. Browning reported that the Health Committee decided that no charge be made for night calls at the present time. Next fall the health service will have a half-time, as well as a full-time assistant; doctors will be in the office one and one-half hours each day — fall and spring 1:00-2:30 p.m. — winter 12:30 - 2:00 p.m. The amount of coverage per student will be lessened next year. It was stated that a separate athletic fund provides any necessary funds above the amount covered by the health service; therefore, all WSC students receive equal coverage from the health service. There was some discussion of making dormitory counselors aware of procedures in case of illness, etc. A joint meeting of the health committee and dormitory counselors will be held next fall. Suggestions were made to have a campaign to make students aware of health facilities, policies and insurance benefits.

Mike Williams moved: That a letter be sent to the Faculty Senate asking that three Student Senate members be placed on the health committee. Kathy Kenney seconded it. Discussion followed.

Phil Silver moved: To amend the previous motion by deleting the words "Senate members and substituting "body representatives." Dick Childers seconded it.

Carried.

The former motion was then carried as amended.

Cheryl Fick moved: That SS accept the names of Sue Frisch and Ralph Carter as candidates for the office of Publicity Senator. Kathy Kenney seconded it. Carried.

By secret ballot, Sut Frisch was elected the new Publicity Senator.

Cindy Packard, Departmental Senator, recommended that SS not accept the Alpha Phi Omega Constitution at this time. Representatives from the fraternity were present for a question-answer period.

Charles Becker announced that names for senator's committees should be submitted for SS approval at the next meeting.

Charles Becker appointed Cheryl Fick, Mary Kaczrowski and himself to the Constitution Revision Committee.

Mr. Emmanuel announced that the Faculty Senate voted to open Thursday nights; this would become effective next fall.

Cheryl Fick moved: That the meeting adjourn. Dick Childers seconded it. Carried.

Respectfully submitted  
Mary Kaczrowski

Students become poets in defense of 'Sal', 'She's honest', they say

**To the Editor:**

Sal believes in honesty  
Sal believes in truth.

Honesty is built on truth  
Honesty is built on might  
Why not stand up with Sal and fight, fight, fight.

She believes in honesty  
Others don't  
Help our school and vote, vote, vote.

We are an honest school  
We are strong.  
We shall never fear of doing wrong.  
We can vote with honesty in mind

Sig Tau says thanks, Kappa Pi

**Dear Editor:**

We, the Brothers of Beta Xi Chapter of Sigma Tau Gamma fraternity, would like to take this opportunity to thank Kappa Pi art fraternity for the fine prom the organization staged and sponsored this past Saturday.

The decorations were ingeniously, yet simply done, and we're sure it met the approval of all those who attended "April Love."

To President Sandra Rumstick, advisor Mrs. Lyman Judson, and the rest of the Kappa Pi art fraternity, thanks for the splendid job.

Home for Easter-- but not in a row boat

by Frank Bonofiglio

**EASTER PARADE** . . . Easter vacation is only a week away and even though it will be a short one I'm looking forward to going home for some good old home-cooking. Contrary to popular belief, it does seem possible that we will have an Easter without a blanket of snow or having to go to church in row boats.

**TOWER OF BABBLE** . . . Since I last wrote we have had a couple of people who have turned twenty-one, and can now vote and - - , Happy Birthday to Dave Klassen, Jonelle Millam and Tom Smith . . . Since the Academy Awards have been announced this week I think it would be altogether fitting to have a couple of awards of our own: for the best actress, Diane Ruprecht for her part in "Summer and Smoke" and to Steve Anderson the best actor award for his part in "Othello" . . . Two more members were elected to the Collegiate Club, they are Joni Kangel and Cheryl Fick . . . To you Seniors in Business Administration the Federal Deposit Insurance Corporation will be at the Placement Office on April 13 and Donaldson's will be interviewing on April 14 . . . Holsinger Lodge was the scene of action for the Phi Sig brothers and pledges last Tuesday for a get together. Chuck O'Neil was the gladdest of all that he showed up . . . And I'm wondering which of the Sig Tau pledges caught the biggest fish at Lake Winona last Saturday night.

**CAMPUS CAPERS** . . . There will be a movie in the auditorium tonight, followed by a S.A.C. Night dance sponsored by the Junior Class . . . Patti Bisel has been busy memorizing a poem — "My Love is Like a Red, Red Rose" . . . Congratulations to the Circle K Club for the fine showing they did at the district convention in Fargo, N.D. last week . . . Bobbi Spahn really gave me a pleasant shock with her new tresses . . . I understand that Jim Harrington has been really playing the role since he is certain of a job after graduation . . . And Sig Tau Jim Haukoos has pinned Alpha Xi Karen Mortensen . . . The

Phi Sigs want to thank Kappi Pi for the wonderful prom they sponsored and especially for allowing us to introduce to WSC our lovely Phi Sig Sweetheart, Joni Kangel.

**SPRING SPORTS** . . . Good luck to our boys on the baseball team who will be in St. Louis this weekend. I'm expecting Rog Roepke and Dave Wendlandt to have home runs to their credits when they come back . . . Dateline—Kenosha, Wisconsin: Local boys do good. My home town has given Winona State a number of fine athletes and one Coach Martin. The Benedict boys are seemly the all around sportsmen, swimmer Jerry Grade, and Dean Patterson, a cyclist, training for a spot on the '68 Olympics. Dean only last week took second place in a twenty-five mile road race at the University of Michigan . . . The track team takes on River Falls at 1 o'clock at Jeff Field . . . We are expecting big things from Jim Ullrich on the golf course since this will be the last year he will play for State . . . The locations are set for the Westgate Shopping Center and Washington Street on the campus between Sanborn and King Streets. Time of the wash is set for 9 a.m. to 5 p.m.

**Doug Rosendahl**

Rosendahl, a sophomore at Winona State, majoring in biology is vice-president of the academy of science. He was a member of the Student Senate, representing the student union, during the 1964-65 term.

Miss Vevik and Rosendahl will replace the present students enrolled in the exchange program. They are Miss Inghild Norsteb of Oslo and Peder Dressel of Wayzata, Minnesota.

## WSSA judges speech contests

Winona State Speech Association, Winona State College, has completed a series of judging assignments in area high school speech contests. This is an annual service of the organization made up of speech majors and minors at the college.

The following schools requested WSSA judges during the past two months: Melrose, Gale-Ettrick, Fountain City - Cochrane, and Trempealeau in Wisconsin; Peterson, Chatfield, and Spring Valley in Minnesota. Students also judged the Preston 4-H radio speaking contest.

Judging was supervised by Miss Dorothy B. Magnus, professor of speech at Winona State College and adviser to WSSA. Students who acted as judges were: Bruce McLean, Stanley Riha, Joan Vanderau, and Judy Bambenek Schmidt, all of Winona; Sal Rotty, Hastings; Charles Becker, Caledonia; Marilyn Schwanke, Roches-

## Two freshmen take aerial photos of river flood plains

The WSC freshmen made an aerial photographic field trip covering Southeastern Minnesota and Northern Iowa March 8 taking slides which are being used by the college science departments.

Dick Sadler, Wilmington, Delaware and John Ross, Red Wing, both members of Mr. Thomas Bayer's winter quarter Earth Science class, became interested in aerial views of geological features presented in class.

The pair and their pilot, Dwayne Bucher, English and physical education teacher at Washington Kosciusko school in Winona, left Winona's Max Conrad Field Saturday morning in a three place Piper Cub Cruiser on the first leg of their trip. They headed north to Red Wing and photographed the Mississippi flood plain, the Chippewa River Delta, and examples of drainage, erosion, faults, and weathering.

In the second leg of their project Saturday afternoon, they covered sink hole lineage, cave entrances, river deposition, meandering streams, and valley and cliff formations in areas around Lanesboro, Preston, Harmony, Spring Valley, Line Springs (Iowa), and Winona.

"It was most interesting to look down from that plane and see the way the river and flood plain areas looked thousands of years ago," John commented. "At that time there was one big river bed from the bluffs behind Sugar Loaf to Wisconsin, and from the air you could see how water had drained in this area from the hills. Water erosion is the most important factor that sculptured land, and this is very prominent from the air."

"Southeastern Minnesota, especially the area around Harmony and Spring Valley, is covered with underground caves and sink holes which were very clear from the air. Two weeks ago Mr. Bayer and Ron Spong, his assistant, took about twenty of us cave crawling, and we were able to examine closely what we had seen from the air," John concluded.

"I also enjoyed cave crawling," Dick began, "in fact, we are going with Ron Spong again Saturday. Last time after we got back, our clothes were so dirty that they were almost able to stand by themselves; it sure is worth it, though."

"When we were up in the plans, John took the photographs while I navigated," Dick continued, "I've always enjoyed plane rides, so I've begun pilots' training here at Winona. I've had the ground course and a few hours in the air."

## Newman Club officers elected

The following students were elected to represent Newman Club on March 25: James Price, president; Rich Payette, vice-president; Kathy Feely, recording secretary; Carol Weaver, corresponding secretary; James Knopick, treasurer; Julianne Knopick, program chairman; Nancy Krotch, educational chairman; and James Wiczorek, social chairman.

Starting April 1, Father Olsen will also begin what is to be a series of talks on *Dating College Style*. Sister Joyce and Brother Frederick also offer classes for anyone interested. These classes begin at 7:00 p.m. Thursday.

so far. John and I haven't planned another trip yet, but if it is possible, I would like to take another one."

The finished slides will be used by the WSC science department, especially for the earth science classes. Altogether over 50 slides were taken, and approximately 400 miles were covered in the field trip taking slightly over 4 hours flight time.

John, a business major and economics minor, is also interested in water sports, boating, and Citizens' Bank Radio, and photography. At WSC, he is pledging Phi Sigma Epsilon fraternity and is active in Young Republicans and SAM, where he is the recording secretary.

Dick is also a Phi Sigma Epsilon pledge and Dolphin Club. A social science major and sociology minor, Dick's hobbies are flying and cave crawling.

## DZ's become proud parents

**Mi Sook**

Delta Zeta Sorority has adopted a Korean child for a year through the Foster Parents' Plan.

The child, Mi Sook, is a six and a half year old kindergartner with light brown hair and light brown eyes. She plans to become a famous singer someday.

Delta Zeta is supporting this child as one of its philanthropic projects.

## SNEA charts bus to state convention

The SNEA will charter a bus to attend the state convention at St. Cloud May 21-22. Those interested must sign up now.

The bus will leave Friday noon. Cost of transportation is \$1. Students will be staying at the German Hotel, where the cost will be from \$2.25 to \$3.25 a person. There will be no other expenses outside of Saturday breakfast and lunch.

The convention schedule: 6 p.m. Friday, banquet with guest speakers; 8 to 9:30 p.m., divisional meeting; 10 to 12, dancing and a hootenanny, and Saturday at 9, second session of the delegate assembly followed by discussion groups.

Winona State will have eight delegates. Those interested should contact Bergie Lang, Richard Holst, or Peg Berg today (Friday). Anyone wishing to attend must pay \$1 down by today.

## Ed Sheffield IRC prexy

Edward Sheffield, sports editor for the Winonan, has been elected president of the International Relations Club in elections held Tuesday evening.

Other new officers are: Marcia Daly, vice president; Cherri Sincok, secretary; and Gloria LeTourneau, treasurer.

Mr. Ray Thielen is advisor.

## Pete Marr rolls 728 series; highest total since 1960

Pete Marr smashed a 728 series on games of 205, 269, and 254 to post the highest three game total in Winona since 1960.

Bowling for the Jokers at Westgate Bowl, Marr has a 211 average in twenty one games as a substitute.

In his only regular league on Wednesday evening his average is 187 for the Golden Brand Food Products team.

Marr is an English major at WSC and is married to the former Nancy Yellot who is also a student at WSC.

In 1960 Newell Peterson rolled a 729 and Jerry Dureske hit a 729 in 1959. They are the only ones in the past years to top Marr's effort.

## Ten teachers and students attend CDAHPER at St. Louis

Ten WSC instructors and students attended the Central District Association for Health, Physical Education, and Recreation (CDAHPER) Convention held in St. Louis, Missouri, April 1-4.

Those attending were Miss Joyce Locks, Miss Susan Day, Miss Marjorie Moravec, Miss Jean Woodsend, instructors, and Judy Knutson, Sal Rotty, Nancy Bundy, Barb Knutson, Maddy Litschke, and Kathy Kenney, physical education students.

A variety of meetings and dem-

onstrations were held along with various displays and booths offering literature. The speakers at the opening session was Catherine Allen, president of AAHPER, who spoke on "Our Profession — The Cultural Focus." Some of the other meetings included a section on therapeutics, a demonstration in golf and a participation - demonstration in ballroom dance.

Following a banquet at the close of the convention, the superintendent of the St. Louis Public Schools gave an address.

## Frank Hayes named chairman for Spring Carnival May 12

Frank Hayes, Williamsport, Pa. sophomore, has been named general chairman of the Sigma Tau Gamma spring carnival, set for May 12.

The carnival, sponsored by Sig Tau for the past four years, will be staged in the dormitory courtyard and surrounding vicinity. This year, booths will be set up

in the courtyard and Sanborn Street between Winona and Huff streets will be blocked off for additional activities.

After a talent show, which is chairmaned by Ron Dadetta, Rochester, N.Y., and Bill Silver, Broomall, Pa., a dance will be held in Richards Hall cafeteria.

## Golfers are promising; Jones heads up squad of 14

Fourteen golfers reported Tuesday to headcoach Madeo (Moon) Molinari to formally begin the Warrior golf season.

Molinari held mixed emotions as he spoke about "this team really looks good on paper," but quickly added, "Where can we practice?"

About the paper work, three letterwinners return from last spring's conference runner-up team. Heading the list is Dick Jones, sophomore from Albert Lea, who won the conference medal crown and performed in the number one position last year. Jim Ullrich, senior from Red Wing, was a steady competitor and played second position last season. Jim Huettl, sophomore from Lake City, played regularly as a first year man.

Heading up the promising remainder is Jerry Van Hoof, junior transfer from St. Mary's, who was their number one man two years running. Another transfer is Ed Sheffield from Eagle Grove Junior College (Iowa), who was their number two man two seasons ago.

Last year, the linksmen were blessed with superior freshmen talent and this season might be

another repeat. From Winona High comes city junior champion John Winston. Another former Winona High grad (1962) is Fred Benning. Another promising freshman is Bob Clasen from St. Paul. His father is a pro and maybe this is a case of "a chip off the old block." Other freshmen are Jerry Shorter, Mabel; Dave Sulack, Minneapolis; Don Sudin, Minneapolis; Larry Broehl, Downers Grove, Illinois; and Dale Eggenberger, Lake City. Ed Kohler, senior from Woodbury, New Jersey, showed promise two years ago and should give the established players a rough time.

Another rough time for the team is the water situation compounded with the unusually late spring.

## Cagers honored; 2 on all NIC team

Dave Meisner and Tom Stallings were elected to the NIC all-conference second team by a group of the writers and coaches of the league.

Mark Carlin from Bemidji, Dave Linchan and Issy Shmiesing from St. Cloud. Pete Lysakker and Wally Halbakken from Moorhead and Jon Hagen from Mankato comprised the first team.

Meisner was 5th in conference scoring, Stallings 10th. Meisner will return next year, but the Warriors lose Stallings to graduation.

## Cowboys win YMCA hoop title

After a torrid start and a mid-season slump the Cowboys came on strong in the final playoff to capture the YMCA college basketball title.

The winners downed a powerful Giants team 54-44. The Giants were led by Dave Usgaard, Lyn Berry and Whitey Shams. The Cowboys were paced all year by the scoring of Bill Anderson and Jim Martin.

Ron Schultz of the Bears was league scoring champ, followed closely by Bill Anderson.

courses will be held in Pasteur Hall on May 10, beginning at 7 p.m. Speakers will deliver speeches to inform. Gold, silver and bronze awards will go to winners in both divisions.

All undergraduate men and women of Winona State College are invited to enter the play reading festivals to be held, respectively, on the nights of May 17 and 18, beginning at 7 p.m. in Pasteur Hall auditorium. Festival participants will use cuttings of plays of recognized playwrights. Handsome permanent trophies and gold, silver and bronze medals will be awarded for superiority in reading from the book or manuscript. This will be the final speech round table program in which points will be awarded toward the 1964-1965 traveling trophy. This trophy, and others, may be seen in the case outside the Registrar's office.

Students in Speech 188 sections will have an opportunity to compete in delivering extemporaneous speeches to pursue on Monday, May 24, in the auditorium of Pasteur Hall beginning at 7 p.m. Gold, silver and bronze awards will go to winners in the men's and women's divisions.

Details concerning all of these public speaking events are posted on the speech bulletin board to the right of the entrance to the president's office. Students are invited to consult with Dr. Judson for further information.
